RE:VE

LUXURY LOUDSPEAKER COLLECTION

THE ART OF LISTENING

An acoustic object. An emotional space.

2026 · PRIVATE CATALOGUE

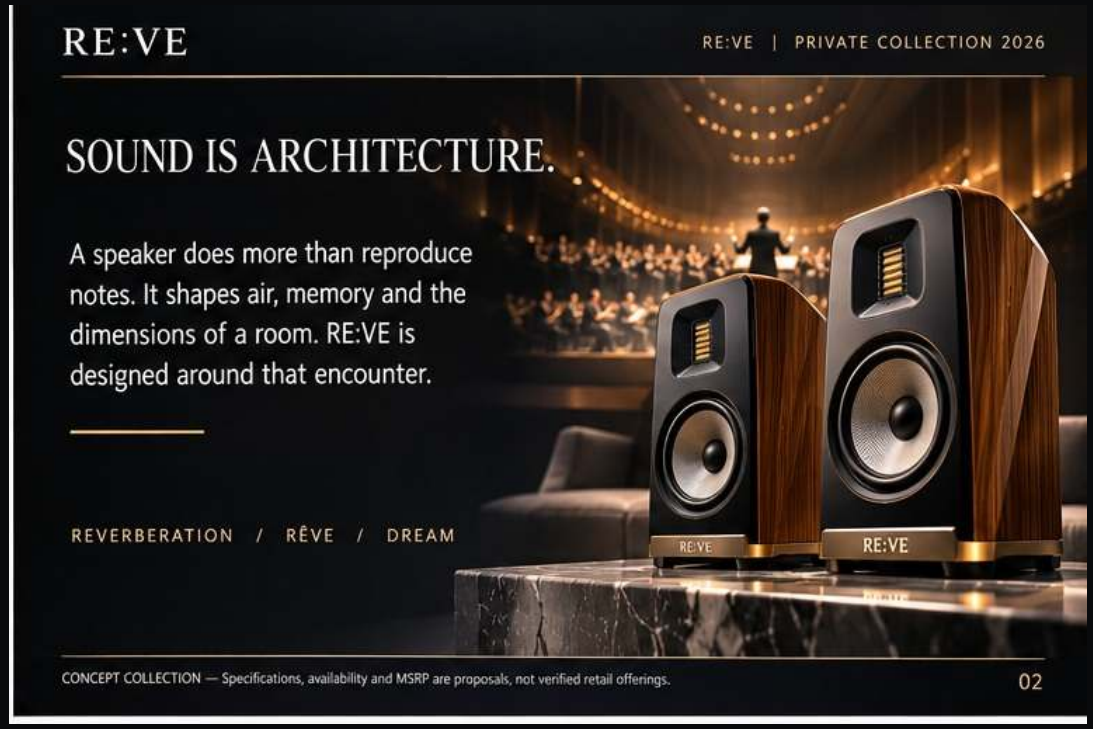

CONCEPT COLLECTION — Specifications, availability and MSRP are proposals, not verified retail offerings.

SOUND IS ARCHITECTURE

A speaker does more than reproduce not es. It shapes air, memory and the dime nsions of a room.

1987, A SOURCE OF INSPIRATION

1987

Seoul’s electronics market cul ture in 1987 inspires the desig n. It does not establish a manu facturing history.

THE MUSICIAN’S EAR

Classical performers inspire the prop osed listening-review protocol. No en dorsement or affiliation is claimed.

STRING TIMBRE · PIANO ATTACK · HALL DECAY

DESIGNED TO BELONG

Brushed alloy, dark anodized metal, walnut, graphite and champagne. Mate rials require engineering validation
.

SONIC OS · THE CONTROL VISION

Proposed room analysis, source management and phase alignment. Current demo does not control physical sp eakers.
